I. Minutes

- A. Minutes from the 15 January 2015 BHB Meeting

II. Old Business

- A. Housing Production Plan (HPP)

We will discuss the latest status of the HPP. I will shortly send materials related to the latest HPP draft to Housing Board Members, Les, and Adam (Adam, I have accepted a few trivial changes in the version that you sent me today). I hope that you will be able to read it. I will be glad to send the material to anyone else on this distribution list if you wish.

We don't have time for a page-by-page review of the HPP, as we have done twice before. However, I hope to discuss key issues and also to approve a version of the HPP for review by the BoS.

- B. Community Preservation Act (CPA) – Ron

We should try to understand funding procedures under the CPA as best we can and decide upon appropriate funding requests from the CPA.

III. New Business

- A. Report on the budget and funding for the Regional Housing Services – Adam

We should vote upon a funding request for this year's Regional Housing Services.

IV. Adjourn BHB Meeting (9:30 pm or sooner)
